

Be The Architect of Your Own Life

Friday, May 19, 2017

1:00-2:30 pm

Olin Hall 155

Light refreshments provided from 12:30-1:00pm

Why do bright, capable, young women say that they "aren't ready" for certain opportunities? Women who possess confidence are more likely to be recognized and promoted yet some fear using their voice because of the backlash that can occur when women display competence and confidence in the classroom and workplace. This keynote celebrates blazing your own path and owning your choices.
