**Mailed permission form due by February 8<sup>th</sup>, 2019.**

**For safety and comfort in all laboratory modules, please wear closed-toed shoes and long pants, and tie back long hair.**

Staff will provide safety glasses and gloves.

Saturday, March 16<sup>th</sup>, 2019  
8:15 AM – 3:10 PM  
Cornell University

## Why WOMEN?

The WOMEN outreach program provides a unique and exciting opportunity for 10<sup>th</sup> grade girls to learn about science and engineering careers. Attendees will conduct fun laboratory experiments at Cornell University.

Participating in these interactive modules will teach students about key aspects of chemical engineering. In an exciting day filled with hands-on activities, they'll learn about technology careers, the college application process, and themselves.

There will also be a program available for parents/guardians. Please note: there is only room for one parent/guardian per child and parents must adhere to the proposed parent schedule.

## Event Program Saturday, March 16<sup>th</sup>, 2019

Parents are invited to attend student activities denoted (\*), in addition to the full parent schedule.

### Student Schedule

8:15	Check-in and Continental Breakfast *
9:15	Opening Message *
9:20	Group Activity *
9:45-12:00	Lab Rotations <ul style="list-style-type: none"><li>• Process Engineering</li><li>• Materials Engineering</li><li>• Bio Engineering</li></ul>
12:00	Lunch *
1:15	Parent-Student Lab *
2:30	Dessert and Student Panel *
3:00	Closing Address *

### Parent Schedule

9:45	Preparation for a Career in Engineering
11:05	Coffee Break
11:20	Faculty Lecture
